Dear Town Resident,

Enclosed you will find a check for a refund of part of the taxes you paid as a resident of the Falls Road Water District for the years 2011, 2012, 2013 and 2014.

Up until 2010 you had been paying taxes to cover both the fire hydrant maintenance fee as well as the debt fee for the construction of the water district. Although the Town continued to collect for both, the debt was paid off in 2010. Therefore, your yearly taxes for 2011, 2012, 2013 and 2014 should have shown a reduction but did not.

Calculations show each property/unit should be refunded \$395.28.

Going forward you will pay only for the hydrant maintenance fee, currently approximately \$9.00 per year per household.

The Town Board is correcting this previous oversight and wishes to apologize for the error.

Sincerely,

The Marcellus Town Board
