The Zoning Board of Appeals of the Town of Marcellus met in regular session in the Town Hall for the Town of Marcellus, located at 24 E. Main Street, Marcellus, New York, on February 4, 2013, at 7:00pm.

Cell-Towers

AT&T has had discussion with the Codes Officer regarding working on existing cell towers and would like to upgrade some of their facilities. Jim Gascon submitted an email to the Board, dated February 4, 2013, advising the ZBA of the new regulations with collocations. This applies to existing towers only and the changes cannot affect the load rating. The applicant must still submit an application. Chris Christensen stated that he would like clarification of what the benefit is to Marcellus. Jim Gascon advised that regardless, the new regulations would over-ride this because it pertains to service not change to the tower.

The minutes of the January meeting stand as corrected.

The meeting was adjourned at 7:15 PM.

The February minutes were taken by Jerry Wickett/Michelle Bingham and were reviewed and submitted by Karen Cotter, Secretary to the Zoning Board of Appeals.
